Hogan Design & Construction (HDC) is 'Hoping' to Open Doors to Many Little Pink Houses of Hope (LPHOH) This October

Geneva, Illinois, October 12, 2015 – Hogan Design & Construction (HDC) has always believed in the adage that 'charity begins at home'. This October, HDC is 'hoping' to rally the Fox Valley region with a home-grown effort in support of Little Pink Houses of Hope (LPHOH), a non-profit organization that provides retreat properties for Breast Cancer Survivors and their families. Beginning October 13, 2015 until November 12, 2015, HDC will donate 3% of any home project scheduled to LPHOH.

HDC 'hopes' to raise awareness of the fight to eliminate Breast Cancer and the dedicated efforts of the LPHOH organization. Founded by Jeanine Patten-Coble, a Breast Cancer Survivor herself, the mission of LPHOH is simple ... promote breast cancer recovery by offering opportunities for survivors to reconnect and celebrate life. LPHOH provides FREE week long vacations for breast cancer patients and their families. They believe a cancer diagnosis does not just affect the patient, but the entire family. Every beach retreat is designed to help families relax, reconnect and rejuvenate during the cancer journey. "Raising awareness for the fight against Breast Cancer and the courageous survivors and their families is tantamount to the goal of our October efforts. The respite opportunity that Little Pink Houses of Hope provides is tremendous and we want to do everything we can to support this dedicated organization and life-changing event", said Brian Hogan, Owner of Hogan Design & Construction (HDC).

Established in 1997, Hogan Design & Construction (HDC) has grown a reputation for honesty, craftsmanship and superior customer service, all at a fair price. We've built our reputation on trust and the work we do speaks wonders about our integrity. We are highly scalable and can handle most any residential or commercial job, no matter how large or small.
